Strike Action at Magellan's Winnipeg Plant

Toronto, Ontario – September 21, 2005 – 400 production workers have walked off the job at Magellan's Winnipeg manufacturing facilities. Magellan remains committed and receptive to continuing meaningful negotiations.

Until an agreement is reached, Magellan will do its utmost to respond to the requirements of our customers.

Magellan Aerospace Corporation is one of the world's most integrated and comprehensive aerospace industry suppliers. Magellan designs, engineers, and manufactures aeroengine and aerostructure assemblies and components for aerospace markets, advanced products for military and space markets, and complementary specialty products. Magellan is a public company whose shares trade on the Toronto Stock Exchange (TSX: MAL), with operating units throughout Canada, the United States and the United Kingdom.
